---	---

## PERSONAL.

Born 1950-10-19, married, four children, four grandchildren

## POSITIONS AND EDUCATIONAL BACKGROUND.

Distinguished teacher in Higher Education<sup>1</sup>, Örebro University (2010-)

Assistant Professor, Örebro University (2000-)

PhD, Linköping University (1999)

PhLic, Linköping University (1995)

Lecturer Örebro University (1985-2000)

Bachelor of Systems Analysis, Örebro University, (1985)

Program of Systems Analysis, Örebro University (1982-1985)

Mechanic, Sund Emba (1972-1985)

Army Service II Kungsängen (1971-1972)

Seaman, various employers (1967-1971)

## LANGUAGE SKILLS (1 to 5 where 1 = excellent; 5 = poor)

Swedish	Mother tongue
English	1
German	3
French	3

---

<sup>1</sup> Särskilt meriterad lärare [In Swedish]

## TEACHING AREAS (2000-)

### **PhD courses:**

Qualitative IS Research Methods, Knowledge Modelling, Contemporary Research

### **MSc courses:**

Contemporary Research, Knowledge Management, Academic Writing, eGovernment, Team Work and Project Management, ICT-based Communication, Research Methodology, Philosophy of Science

### **MSc courses:**

Knowledge Management, Research methodology, Philosophy of Science

### **Basic courses:**

eHealth, IT for Teachers, IT for Business, Spreadsheet Systems Development, End User Computing, Problem Based Pedagogy

### **Business courses, Commercial courses:**

Spreadsheet Systems Development, End User Computing

+ Various basic, intermediate, and advanced courses in Informatics

## SUPERVISION

PhD co-supervision: four PhD students

PhLic co-supervision: four PhD students

MSc thesis supervision: >60 MSc theses

BSc thesis supervision: >130 BSc thesis,

## PRIZES AND AWARDS

Elected "Best teacher" of International Electronic Government Master Programme (2008)

Pedagogical prize Örebro University (1999)

## TEACHING DEVELOPMENT AND ADMINISTRATION

Program Manager, Electronic Government Master Programme, 2007-2010

Development and project manager, distance course IT for teachers Örebro University, 2005, 2006, 2007, 2008, 2009, 2010.

Development of BA & Master-level in informatics

Development of Basic courses, based on Problem Based Learning.

Development Basic Course of IT for Teachers, IT for Business.

## GUEST TEACHER

IT & Knowledge Management, Groupe Ecole Supérieur de Commerce, Clermont-Ferrand, France, 2005

Spreadsheet development, Sønderborg Højskole, Denmark, 1997

## RESEARCH AFFILIATION

Informatics, Örebro University, 2004-

ICT4D, Örebro University, 2008-

Research group VITS, Linköping University, 1994 – 2004

## RESEARCH AREAS AND PROJECTS

Digital Agenda Örebro County, project leader (2012-)

Wikis as knowledge sharing tools (2011-)

Knowledge Management for Rural sustainable development (2011-)

Illustrating requirement prioritization (2010-)

Internationalization of Swedish Business School. (2010-)

Mini laptop and learning, in cooperation with IT-gymnasiet, scientific advisor. (2009)

How to meet and treat students, Swedish Business School, Örebro University. (2008)

Decision Support and Knowledge Sharing by End User Development in Local Government Contexts. (2008-2011)

Digital references (2007-2009)

eParticipation, an EU Network of Excellence, DemoNet (2006-2007)

End User Computing, Users Systems Development Local systems (various projects 1991-2011)

Knowledge Management and End User Computing, Knowledge sharing in End User Systems Development (2003- 2005)

Democracy Functions of Information technology (2005)

Knowledge Management and E-learning, Problem Based Learning with WebCT in Higher Education (2004 )

Knowledge Management, Information Processing in Manufacturing Companies (2000-2004)

IT-management, Goal Dialogue - Implementation of ERP-systems (2000-2001)
