2026 Örebro Workshop on Macro- and Financial Econometrics

Monday 9th of November – Tuesday 10th of November, 2026, Örebro, Sweden

The School of Business at Örebro University arranges the eight two-day workshop on macro- and financial econometrics. The workshop will cover a broad range of topics, both theoretical and empirical. These include, but are not restricted to:

- Business cycles
- Monetary policy
- Interest rate modelling
- Macro-financial linkages
- Volatility and risk modelling
- Prediction and forecasting
- Non-Gaussian models
- Bayesian econometrics

Keynote speakers:
Hedibert Freitas Lopes, Insper
Sylvia Kaufmann, Study Center Gerzensee

- Participation: The papers presented at the workshop will be chosen based on a review process. We encourage submissions of research at an early stage since such work typically will benefit most from open and informal discussion.
- Submission procedure: The submission deadline is the 1st of September. Send papers in pdf format to finecon@oru.se. By the 15th of September, we will let you know if your paper is accepted for presentation.
- Workshop fee: The workshop is free of charge. Funding permitting, limited travel grants will be available for presenting early-career researchers. Indicate if you want to be considered for a travel grant with your paper submission.
- Conference venue: The conference will take place at the main campus of Örebro University.
