

## MTM SEMINAR

- 2016-09-26 – **Jeroen Kool**, Vrije University Amsterdam, Netherlands; title: "*Analytical separation with biological assays (including cellular) and parallel MS detection for investigation of bioactive mixtures*"; time 10:00 – 11:00; room B219; host: Magnus Engwall
- 2016-09-28 – **Jiayin Dai**, Chinese Academy of Sciences, China; title: "*Progress in Environmental Behaviors and Toxicity of Perfluoroalkyl Substances (PFASs) Alternatives*"; time: 10:00 – 11:00; room P103; host: Leo Yeung
- 2016-09-30 – **Gang Yu**, Tsinghua University, Beijing, China; title "*Environment Protection in China: Achievements and Challenges*"; time 14:00 – 15:00; room B311; host: Heidelore Fiedler
- 2016-10-12 – **Hans Grahn** and **Paul Geladi**; title: "*Chemometrics in Spectroscopy*"; time 10:00; room B1211; host: Anna Kärman
- 2016-11-01 – **Jérôme Cachot**, University of Bordeaux, France; title: "*The use of fish embryos and larvae in aquatic ecotoxicology, present and future developments*"; time 10:00 – 11:00; room B219; host: Steffen Keiter
- 2016-11-21 – **Henner Hollert**, RWTH Aachen University, Germany; title: "*to be announced*"; time 10:00 – 11:00; room B1211; host: Magnus Engwall
- 2016-11-29 – **Swetox**, Sweden; title: "*Research at the Swedish Toxicology Science Research Center (Swetox) - Short presentations (5-10 min) covering Inhalation Science, Science to policy, Local and systemic effects of inhaled particles, Epigenetics, Highly accumulating compounds, Female Fertility, Xenobiotic Metabolism and Biomarkers*"; time 10:00 – 11:00; room B311; host: Ingrid Ericson
- 2016-12-06 – **Xavier Cousin**, IFREMER, France; title: "*Characterising and understanding effects of POPs exposures through lifecycle and generations using zebrafish*"; time 10:00 – 11:00; room B1211; host: Steffen Keiter

2016-12-13 – **Werner Brack**, Helmholtz Centre for Environmental Research – UFZ, Leipzig, Germany; title: *"to be announced"*; time 10:00 – 11:00; room B219; host: Magnus Engwall & Steffen Keiter

2016-12-16 – **Roberto Rosal**, University of Alcalá, Spain; title: *"Risk management of nanomaterials in the aquatic environment"*. time 10:00 – 11:00; room P103; host: Anna Kärrman

**Contact:**

Steffen Keiter, School of Science & technology, MTM Research Centre
