Örebro University, School of Business and Kommuninvest workshop

Financial Econometrics

Monday 6th of November – Tuesday 7th of November, 2023, Örebro, Sweden

The School of Business at Örebro University and Kommuninvest are jointly arranging the sixth annual two-day workshop on financial econometrics. The workshop will cover a broad range of topics in financial econometrics, both theoretical and empirical. These include, but are not restricted to:

- Interest rate modelling
- Macro-financial linkages
- Volatility and risk modelling
- Prediction and forecasting
- Non-Gaussian models
- Bayesian econometrics

Keynote speakers:
James Mitchell, Federal Reserve Bank of Cleveland
Mike West, Duke University

- Participation:** The papers presented at the workshop will be chosen based on a review process. We encourage submissions of research at an early stage since such work typically will benefit most from open and informal discussion.
- Submission procedure:** The submission deadline is the 1st of September. Send papers in pdf format to finecon@oru.se. By the 12th of September, we will let you know if your paper is accepted for presentation.
- Workshop fee:** The workshop is free of charge to presenters and co-authors. A registration fee of 500 SEK applies to other participants. Funding permitting, limited travel grants will be available for presenters.
- Conference venue:** The conference will take place at the main campus of Örebro University.
- Organizers:** Örebro University, School of Business
Kommuninvest
- Important dates:**
- | | |
|-------------------|---|
| 1st of September | Deadline for manuscript submission |
| 12th of September | Notification if paper has been accepted |
