2025 Örebro Workshop on Macro- and Financial Econometrics

Monday 3rd of November – Tuesday 4th of November, 2025, Örebro, Sweden

The School of Business at Örebro University arranges the seventh two-day workshop on macro- and financial econometrics. The workshop will cover a broad range of topics, both theoretical and empirical. These include, but are not restricted to:

- Business cycles
- Monetary policy
- Interest rate modelling
- Macro-financial linkages
- Volatility and risk modelling
- Prediction and forecasting
- Non-Gaussian models
- Bayesian econometrics

Keynote speakers:
Domenico Giannone, International Monetary Fund
Raymond Kan, University of Toronto

Participation:	The papers presented at the workshop will be chosen based on a review process. We encourage submissions of research at an early stage since such work typically will benefit most from open and informal discussion.
Submission procedure:	The submission deadline is the 1st of September. Send papers in pdf format to finecon@oru.se. By the 15th of September, we will let you know if your paper is accepted for presentation.
Workshop fee:	The workshop is free of charge. Funding permitting, limited travel grants will be available for presenting early-career researchers. Indicate if you want to be considered for a travel grant with your paper submission.
Conference venue:	The conference will take place at the main campus of Örebro University.
Important dates:	September 1 — Deadline for manuscript submission September 15 — Notification if paper has been accepted Registration opens October 15 — Deadline for registration
Additional information:	See the workshop website https://www.oru.se/hh/finecon-2025 or send an email to finecon@oru.se.
