Article acceptance

- Once the article is accepted the author receives a link to MyPublication
MyPublication form

Welcome to MyPublication

- Welcome page with overview of accepted article
MyPublication form

Choose your Affiliation

• Authors state their affiliation in the entry field
Choose your Affiliation

- Authors state their affiliation in the entry field
- All institutions that are part of an institutional agreement are only available in English
- If authors do not find their institution they can search by the city
MyPublication form

Choose your Affiliation

- If the author e.g. states an institution that is part of an institutional agreement – a green box is shown immediately.
- Further identification parameters are IP address and Email domain
- The green box provides further information on the OA agreement.

Institutional Open Choice at Springer Nature
MyPublication form

Choose your Affiliation – Institutional Open Choice Must

- The author is informed that the article will be published open access and the costs are covered by the Institution.
MyPublication form

Choose your Affiliation –
Article type not supported by agreement

• If the article type of the article is not covered by an agreement a yellow box is directly shown with further information
MyPublication form

Choose your Affiliation II

- If article type or license is not covered the author can choose to publish individually or traditionally non open access

- For further MyPublication slides for individual open choice please contact Melanie Rudolf
MyPublication form

Open Access License Form

- The author has to agree to the open access license
MyPublication form

Color and Offprints I

- The author can order color figures
MyPublication form

Color and Offprints II

• The author can order additional paid offprints and poster
MyPublication form

Your Address

- The author states his/her invoice address even if there will be no invoice
- This is a generic page for all kind of articles and is issued for data management
- For Springer Compact authors this will be renamed in “Your Affiliation” to avoid confusion and improve transparent communication on the institutional OA agreement
MyPublication form

Send Order

- On the last page there is a summary of all orders
- Open Choice is not charged to the author but is covered by the institution
