## The 26th Nordic Academy of Management Conference

Örebro University School of Business, Sweden

**Name: Åse Linné**

**Title, Position & University:**

Senior Lecturer, docent, at the Division of Industrial Engineering and Management, Uppsala University.

**Mini Bio:**

My main research focus concerns how innovation and renewal come to life in various industrial contexts. More specifically, my main research interest relates to the understanding on how new knowledge and learning are transformed, developed, produced and used among technology-based companies, organizations and individuals. My research activities relate mainly to empirical settings; the life science, the construction and energy sectors.
