Certify your food roots

March 22 - April 9 (online) and April 19-23 (on-site), 2027

Location: Stefan cel Mare University of Suceava

Key objectives:

1. Introduce students to the European certification schemes for traditional and regional food products.
2. Explore how traditional food products can contribute to local economies, support small businesses and encourage tourism.
3. Encourage students from different countries and academic backgrounds to exchange experiences and explore new ways of promoting local food traditions.

When to apply? According to the calendar of each university

Who should apply? Bachelor and Masters' students

Qualifications to be obtained: 3 ECTS
