

## iPhone/iPad

*Quick reference guide for connecting to Örebro University's  
wireless network (Wi-Fi)*

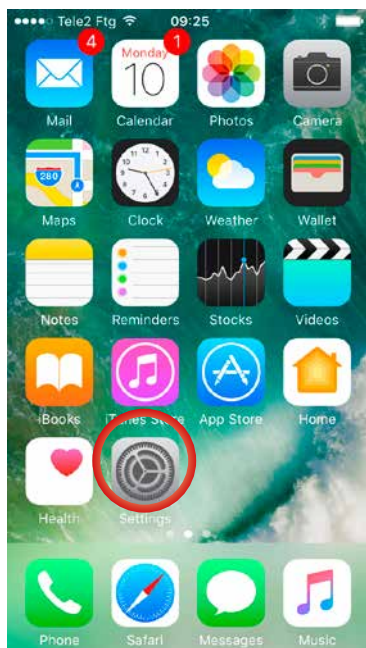

1. To use Örebro University's Wi-Fi network on your mobile, tablet or computer, you must first create a password.

To do this, visit our web-site <http://www.oru.se> and at the bottom, select Wireless networks.

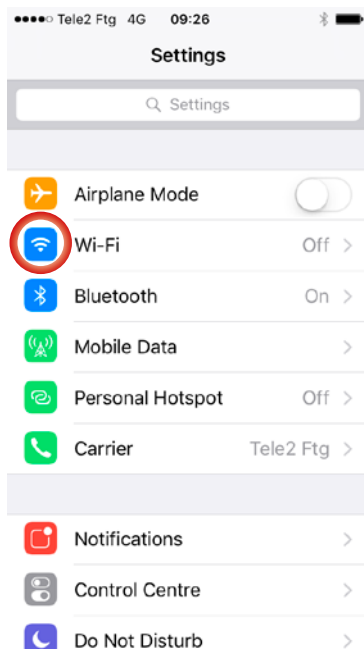

**It's not the same password to the wireless network as it is to the ORU account!**

2. Open Settings.

3. Tap Wi-Fi.

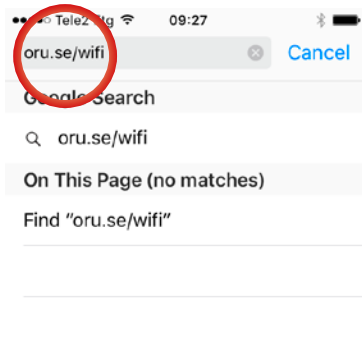

4. Tap [oru.se/wifi](http://oru.se/wifi). Then tap the home button.

## 5. Open Safari.

## 6. Type oru.se/wifi in the address bar.

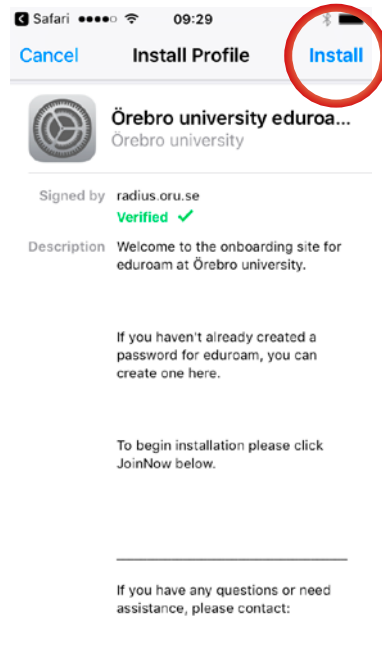

## 7. Type your ORU account user name followed by @oru.se.

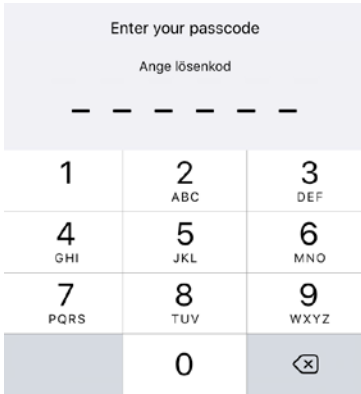

## 8. Tap JoinNow.

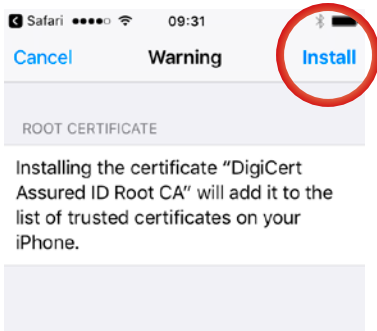

## 9. Tap Install.

**10.** Type in the password for your iPhone/iPad.

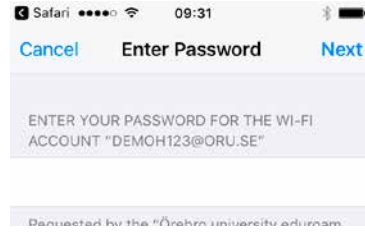

**11.** Tap Install.

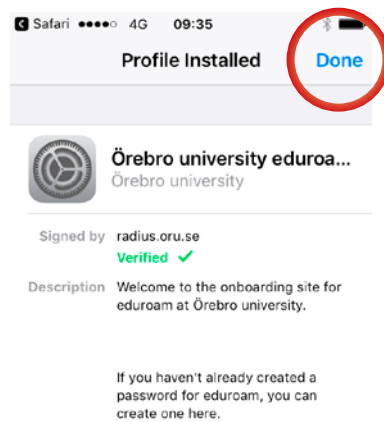

**12.** Tap Install to confirm installation.

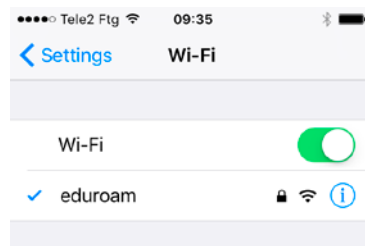

**13.** Type in the password which you created earlier for using wireless networks. Select Next.

**14.** Tap Done.

**15.** Your iPhone/iPad is now connected to eduroam.
