

The information on how to register your account is only available in Swedish, please see instructions below on how to register.

The image shows a registration form with a light gray background and a close button (X) in the top right corner. At the top, there are two buttons: "Logga in" (Login) and "Registrera" (Register). The "Registrera" button is circled in red. Below the buttons is a paragraph of text in Swedish: "För att kunna förhandsgranska och redigera dina jobbansökningar behöver du först registrera dig. Ange alla obligatoriska uppgifter nedan för att gå vidare." (To be able to preview and edit your job applications, you need to register first. Enter all required information below to continue.) Below this text are two input fields: "E-postadress" (E-mail address) and "Ange lösenord" (Enter password). At the bottom of the form, there are two buttons: "Avbryt" (Cancel) and "Registrera" (Register). The "Registrera" button is circled in red.

Choose "Registrera" to create your account.

Translation: In order to retrieve and edit your job applications, you need to register first. Enter all required information below to continue.

E-mail address

Enter password (choose your own password)

Click on "Registrera"
