

## **This is where your ABB story begins - Communications Intern**

Take your next career step at ABB with a global team that is energizing the transformation of society and industry to achieve a more productive, sustainable future. ABB is the perfect place to put your learning into practice and start gaining experience toward a rewarding career.

We are looking for an Intern to join our communications team during the spring semester of 2022. You will be an important player in the country communications team, but you will also work with the larger marketing communications community across the globe. You will have the opportunity try out many different things and form the internship after your interest. Below you see examples of what you can do as an intern with ABB.

### **Your responsibilities**

- Create content for web and social media properties
- Develop and implementing communications plans and internal campaigns
- Draft messages for internal communications, media relations and public affairs projects
- Conduct interviews and articles for internal communication purposes
- Help meet the communications needs of the country management team
- Building relationships and collaborate with businesses, functions, and leaders across the company
- Create your own projects in collaboration with the communications team
- Learns to accomplish relevant tasks through practical experience, to support course of academic study and/or enhance personal employment opportunities.

Bring your very own sense of pride and purpose as you help us drive forward the Fourth Industrial Revolution – creating a sustainable future for our planet, and your career. Join ABB and harness the power of our diverse global network, as you collaborate with and learn from our world-class teams. Above all, challenge yourself every day. Let's write the future, together.

## Your background

- University student of Communication Sciences, Marketing, Public Relations, or related studies (at least 3<sup>rd</sup> semester)
- Swedish speaker
- Intermediate English

## Who you are

- You are creative and disciplined, ready to take on your own projects as well as to support our communications team with operational tasks and ideas.
- You are a responsible individual, efficient in writing and proofreading documents, follow and create plans and draft social media posts.
- You enjoy working in an international setting with various tasks and perspectives on communication.
- You can work on your own with several tasks simultaneously and you are a quick learner who wants to get hands on experience in communication.
