

Standardtext till tidskrifter inför avhandlingsframställan

Nedanstående texter kan användas av doktoranden i kontakt med aktuell tidskrift för att be om tillåtelse att publicera artiklar inkl. tabeller och figurer samt bilder i en avhandling eller vetenskaplig uppsats. **Observera** att enskilda tidskrifter och förlag kan ha egna mallar för detta ändamål vilka doktoranden i så fall använder sig av i första hand.

Artikel inklusive tabeller/figurer

I hereby ask for permission to reprint the article [name of article], by [name of author/authors], published in [name of journal; year; volume; page-page] including tables/figures, for the purpose of my doctoral thesis. With your permission the final article will be given full acknowledgement.

Please confirm, by return email, if you agree to this reprint.

Bilder

I hereby ask for permission to use your image/images [name of image/images] published in [relevant information e.g. name of journal; year; volume; page-page] for the purpose of my doctoral thesis.

The image/images will be included in [e.g. chapter] of my thesis. [If relevant]: I will slightly alter the image by (refer to the image). [If relevant]: The doctoral thesis will be published in the [X] repository [insert web-address] where it can be viewed and downloaded by anyone in the world. With your permission the included image/images will be given full acknowledgement.

Please confirm, by return email, if you agree to this use of your image/images.
