

AGREEMENT

Placement abroad

Teacher education programmes

Teacher students doing placements abroad are responsible for

- ensuring that this form is signed by the module coordinator and the person in charge at the placement organisation*.
- submitting/sending a copy of this form to the module coordinator as well as to the placement coordinators, at vf.u.lararprogram@oru.se.
- submitting the signed form to the International Office, should the placement take place outside the EU/EEC and Switzerland, no later than 2-4 weeks before departure, as well as collecting an information pack with a medical insurance card (MIC) from the International Office.

The student and the hosting organisation are responsible for ensuring that the placement meets the requirements laid down to enable completion of the course (school year, subject etc), and that no conflicts of interest may arise.
